Step By Step Instructions: Logging into Degree Works (for Students)

1. Log into my.vcu.edu

![Central Authentication Service]

2. On the right side of the screen under the “Resources” section, select eServices/VCU Self Service

![RESOURCES]

3. Once in eServices, select the “Students” tab located at the top of the screen.

![All Users Students Financial A]
4. Select the “Degree Works” option from those that appear.

5. Degree Works will open in a separate tab or window in your browser.

6. You may need to enter your V# (student ID number) into the Student ID box and then hit Enter.

7. Degree Works will default to your academic audit, showing you how each of your courses may be counting towards your degree requirements.
